BLOOD DONATIONS

Look for the large **aqua-blue** Cedars-Sinai Blood Mobile Bus stationed on site in the large parking lot, with an adjacent canopy tent set up for intake

Who can donate?

- All ages 17 and up (no upper age limit)
- 16-year-olds may also donate with signed parental consent hospital form
 - (contact me at KeysD@cshs.org & I'll happily send you a consent)
- Must weigh at least 110 pounds and be in good general health
- Tattoos and body piercings are okay
- Most common daily medications are fine
 - (cholesterol, blood pressure, birth control, antidepressants, thyroid)
- Diabetics taking insulin may donate

First-time blood donors welcome!

Blood donors will receive:

- free testing for Covid 19 antibodies
- a complimentary health screening from Cedars-Sinai which includes blood pressure, iron/hematocrit reading, temperature and pulse
- access to the online portal which allows donors to see previous donations, blood type, health-wellness summary and to monitor any fluctuations in blood pressure, iron, etc.
- individually packaged all-you-can-eat refreshments snacks, bottled water and juice

Donors will also receive a treat voucher, as a token of appreciation.

Walk away with the wonderful feeling of touching someone's life in a deeply meaningful way!

To Donate Blood: ***LifeSavers RSVP right here***

PREPAREDNESS FAIR KIT DISTRIBUTION

Valley Disaster Preparedness Fair registrants may pick up their 2020 Emergency Preparedness Kits here, also from 9 AM to 3 PM

Look for the white Kit Distribution Truck and the Granada Hills North Neighborhood Council Outreach Table

Choices for the kits include: English, Spanish, Braille and Children's Kits

There will be a drive through line so you won't have to get out of your car.
